Re: SEID23GA011, City of Sandersville, Tybee Community Drainage Improvements

Dear Mrs. Frierson:

The City of Sandersville regrettably must withdraw from the Southeast Crescent Regional Commission program for FY2023 State Economic & Infrastructure Development (SEID) Program for its Tybee Community Drainage Improvements. The amount of the award is \$500,000.00 which must be withdrawn. Unfortunately, the six property owners whose easements were crucial to correcting flooding and implementing drainage in the area would not sign the permanent easements needed. These easements prevented the entire project from starting construction.

We appreciate the consideration and assistance that the SEID staff has shown during the entire application process, award process, and administration of the grant during this time.

Sincerely,

James Andrews, Mayor _____

Jeffery Smith, Mayor Pro-Tem _____
