Council Member Deborah Brown	Amber Cook, Utility Billing Manager
Council Member Danny Brown	Chris Walker, Public Works Director
Council Member Ben Salter	Alex Lowe, Water/Wastewater Director
Kandice Hartley, City Manager	Greg Taylor, Electric Director
Kennan Howard, Attorney	Leslie Williams, Finance Director
Gloria Waller, City Clerk	Nichole Wasson, Assistant City Clerk

Mayor Andrews called the July 20, 2026 Working Session of the Sandersville City Council to order at 4:00 P.M.

Brian Wright with Wright & Wright P.C. presented the FY 2025 Audit to the council. Wright reviewed each fund in detail with the council and addressed questions. Wright went on to recognize Finance Director Williams and her team there help during the audit process.

Katie Moncus, Washington County Chamber of Commerce President gave an update on the chamber. This is the chambers 70th anniversary along with the Kaolin Festival's 70th anniversary. Moncus said the chamber currently has 269 members and continues to grow. They are working on back-to-school activities for new teachers, back to school bash for students and the upcoming Kaolin Festival. The 250th Revolutionary War Anniversary was a great success.

Alex Lowe, Water/Wastewater Director presented item #12 on the agenda. This is to award a bid for the North Anderson Dr. water line project.

Kandice Hartley, City Manager presented item #11 on the agenda. This resolution is to open a GA Fund One bank account for the general fund.

Attorney Howard reminded council that the bond hearing is Thursday and the closing is next Tuesday. He has a resolution authorizing the mayor, city manager and himself to ratify any documents pertaining to the closing of the hotel.

Ben Avant, Building and Zoning Manager presented items #5 – 10 on the agenda.

- Item #5 is an annexation and zoning for parcel 110 008 and 110 013.
- Item #6 is a zone change from A1 to I2 for parcel 109 027
- Item #7 is a roof pitch variance for a 3/12 roof pitch for previously annexed property located on S. Anderson Dr and Layton Dr. to create a manufactured home development. Avant said there are other manufactured homes and stick built homes in the area.
- Item #8 is a roof pitch variance for a 3/12 roof pitch located at 309 Pine Forest Dr. Avant said that the area is made up of about 90% manufactured homes.
- Item #9 is a variance request from Deep South Construction to decrease the size of the homes to 850 – 1200 square footage.

- Item #10 is an annexation on the Smith Douglas Homes development. If annexed this would be zoned R-3. It is contingent on us being awarded the grant. The county is requesting that if the city is not awarded the grant we un-annex the property and it would go back to the county. Also, they are requesting we maintain the road from the current city limits to Ridge Rd. Avant said that Smith Douglas is also requesting to decrease the set back and distance between the houses. Mayor Pro Tem Smith said he couldn't agree with the city being responsible for all the upkeep on the road. Council Member Salter said that he had an issue with the setback requirements. They asked Avant to have Smith Douglas come to the next meeting with an updated presentation of what they are proposing to build and have Attorney Howard draw up an IGA with the county.

PUBLIC COMMENT

Jayson Johnston, Development Authority of Washington County presented information on Cleansparks' current and upcoming expansion plans. Johnston said when the original company came here it was bitcoin mining that started on 1 acre in the Industrial Park. It was further expanded in 2020 with another 10 acres. All of this is air cooled and they have their own power station. In 2022 Cleanspark bought the company and started developing more acres in the Industrial Park. There was a noise reading done in the past on Cleanspark compared to the other industries located next to them and Cleanspark had the lowest noise reading. Over the past year Cleanspark has been transitioning into a data center and looking to expand. The Development Authority holds 122 acres in Industrial Park West and Cleanspark approached them to purchase that land to expand their business. Negotiations started last year to sell the property to them. One advantage is this gets it on the tax digest and they pay taxes on it. Cleanspark has supported many local nonprofits and have been good stewards of the community. Currently there is no agreement for additional power. Cleanspark will

be absorbing all the cost of moving to the new site. Cleanspark will be using a closed loop water system.

Anne Boyd presented a letter to the council regarding information and transparency concerning the data center. She thanked Jayson Johnston for the information he presented and wished the public had been given that information earlier.

Kathy Jackson asked questions regarding Cleanspark.

Ms. Gilbert came forward and expressed her concern about Cleanspark.

ADJOURNMENT

Mayor Pro Tem Smith made a motion to adjourn the meeting. Council Member Salter seconded, and the motion passed unanimously.
